REQUEST CONSIDERATION OF REFERENCES

Sir:

The Notice of Allowability of December 3, 2007 returned a copy of a PTO-1449 indicating that most of the references submitted with the Information Disclosure Statement filed August 20, 2007 were considered. However, the Hodjat et al reference was not initialed by the Examiner. It is respectfully requested that Examiner Liu please cite this reference and appropriately initial the attached PTO-1449 (listing only the non-considered reference). Since this case has been allowed, it would be appreciated if this document could be forwarded back to our offices as soon as possible.

Your assistance is greatly appreciated.

Respectfully submitted,

NIXON & VANDERHYE P.C.
